

Financial Controller

We are looking for a highly experienced Financial Controller to join us at the Titanic Hotel Liverpool.

Titanic Hotel Liverpool, Stanley Dock is all about the restoration of one of the city's most historic and iconic buildings. Once a busy warehouse, now a hotel full of character and original features. The hotel offers 153 stylish and spacious bedrooms, theatre-style restaurant Stanley's Bar and Grill, Rum Bar overlooking the waters of Stanley Dock and the luxurious Maya Blue Wellness Centre. Adjoining Titanic Hotel are the incredible event spaces Rum Warehouse and West Bay, the perfect venues for a conference, wedding, or special occasion.

The Financial Controller will drive Finance Strategy for The Titanic Hotel Liverpool and other projects as part of the Executive Team.

We are looking for a Financial Controller who has extensive experience in managing hotel management accounts and has a very strong commercial awareness with strong analytical and problem-solving skills. You must have the proven ability to implement strategies in maximising hotel revenues whilst at the same time, minimising costs. You must also have strong Payroll experience. As manager of a finance department, you must also possess excellent team management and communication skills, in order to pro-actively lead and develop members of your team.

Candidates **must** have an extremely solid hotel background. They should also be proficient in all financial duties.
