

Maintenance Engineer

Maintenance Engineer Full Time - £Competitive

Titanic Hotel, Stanley Dock, Liverpool is all about the restoration of one of the city's most historic and iconic buildings. As a World Heritage site it forms part of the Stanley Dock development overlooking the waters of Stanley Dock. The hotel has 153 stylish and spacious bedrooms, unique event space West Bay, Stanley's Bar and Grill, Rum Bar, Maya Blue Wellness and adjoining the incredible Rum Warehouse.

To enhance our Property team, we are looking to recruit a motivated Maintenance Engineer.

Main Responsibilities would involve:

- Responding to any calls regarding the maintenance and repair of hotel equipment.
- Carrying out preventative maintenance to ensure that the Hotel Premises are kept to the highest of standards.
- Working on the exterior of the property.

Skills & Experience Required as Maintenance Engineer are:

- Previous work experience in a similar role is essential
- Excellent attention to details
- Effective and clear communication skills and the ability to work closely with other departments and hotel guests.
- A key trade would be preferable

What we offer?

We offer staff (of all levels) a range of benefits. Once you have completed your 3 month probationary period, you will have access to 50% discount on food & beverage and competitive staff room rates to enjoy with your friends and family.

Uniform is provided along with free staff meals on duty. We also run an Employee of the Month scheme, Long Service Awards and all of our employees are enrolled into the Hospitality Action Employee Assistance Programme.

Titanic Hotel, Liverpool aims to provide a working environment that is enjoyable and unique!

If you feel that you have the experience, qualifications and skills to be Maintenance Engineer at the Titanic Hotel then apply by sending your CV and covering letter to titanichotel.hr@titanichotelliverpool.com.

Please note: we can only accept applicants from those eligible to live and work in the United Kingdom.
